Filming & Photography

All our car parks can be hired for photo shoots, film and TV productions.

As such, we've developed long-standing relationships with numerous high profile production companies.

Our sites have been used for various films and TV shows such as Captain America, EastEnders, DCI Banks, Utopia and many more.

Filming/Photography Charges

Our filming and photography charges are based on varying factors including production type, number of crew and time/space needed.

Before completing and returning the request form, please make yourself aware of the following details:

TBC	Negotiable	Negotiable

For crews of 30+ or to enquire on costs to hire the whole floor plate of one of our branches please speak to a member of the team

Filming/Photography Charges

- All fees highlighted are subject to VAT.
- Whilst we will endeavour to assess requests as quickly as possible, we ask that a minimum of 5 working days are given to process applications.
- Any filming/photography must be escorted at all times by a team member from CitiPark. Subject to crew size additional costs for escorts may apply.
- Each request will be individually assessed by CitiPark for any spaces that may be taken up as part of any filming/photography. Additional charges may apply subject to spaces required.
- Any rooftop levels and our London branches incur a 20% surcharge
